

THERMAE SYLLA SPA WELLNESS HOTEL

Thermal treatments & relaxation with a Mediterranean flair

1800sqm spa in a quiet location on the Mediterranean providing the perfect base for a relaxing thermal holiday. As a partner of "RomanThermal Spas of Europe", one of the best thermal baths in the world, Thermae understands its trade and leaves nothing to be desired with thermal wellness and spa treatments.

Your Holiday Destination

The island of Euboea is Greece's second largest island and is located in the eastern Mediterranean. A variety of natural landscapes, gorgeous beaches and pleasant Mediterranean climate make the island a paradise for those seeking relaxation.

Your Hotel

The luxurious spa hotel Thermae Sylla Spa is located in the village of Edipsos on the northwest coast of the island, which is known for its 75 thermal springs and a 3000-year history as a spa resort. Restaurants and shops are about a 5-10 minute walk to the town.

How You Reside

108 comfortable rooms and suites with bath and / or shower, WC, hair dryer, partly covered balcony, satellite TV, minibar, Wi-Fi, safe, coffee / tea making facilities, bathrobes, slippers, individually controlled air conditioning. Standard (about 20-25 m²) with views of the pool or the mountains; Executive (about 20-25 m²) with sea view; Junior Suites (35 m²)

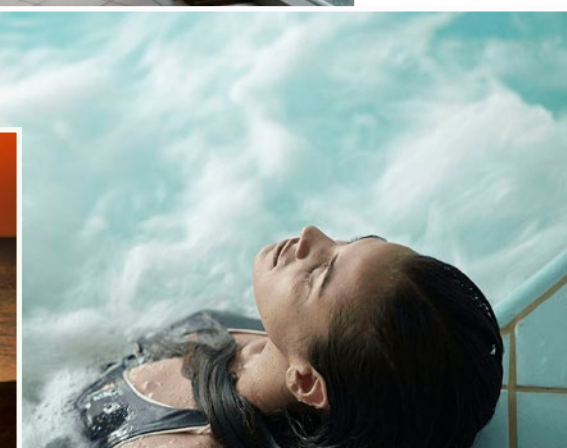

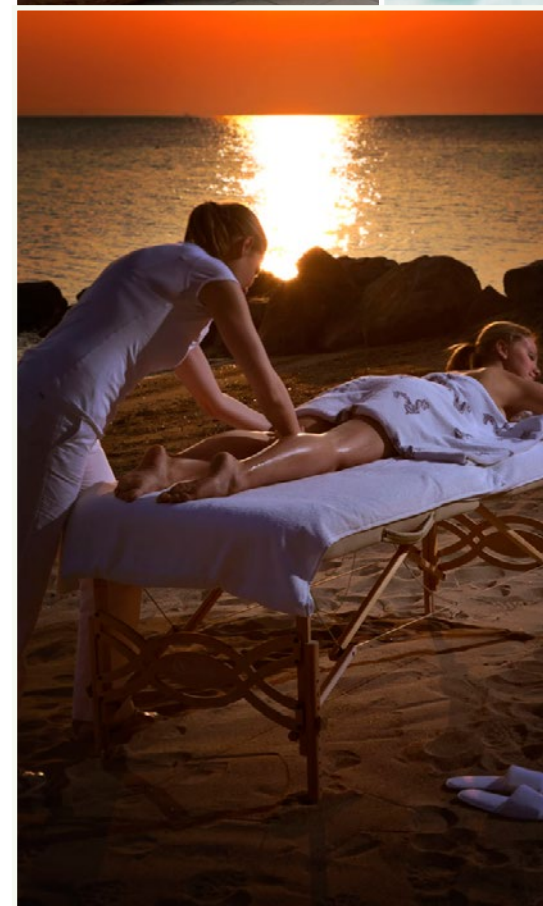

with pool or sea view; Executive Suites and a Presidential Suite (each ca. 45 m²). Single rooms are double rooms for single occupancy. Interconnecting rooms and disabled rooms are available on request.
